**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use sonic.net for internet access. Their service is competitively priced, and far cheaper than anything offered by AT&T or any of the cable providers.

I use their service for telephone and internet.

I have to believe that they help keep prices lower across the board, and putting them out of business would definitely cause me a hardship.
